Who We Are

Established in 2018, The Cirk is an entertainment and performance company dedicated to sharing the love of cirque arts. Based in Johannesburg, South Africa, our skilled artists have enchanted audiences across the continent with thrilling performances. Our team boasts an extensive repertoire of specialty aerial and ground acts, thoughtfully constructed for both standalone shows and corporate events.

As one of the only cirque entertainment companies in South Africa, we pride ourselves on creating an ecosystem where artists can collaborate and create the best shows on the continent. We are passionate about supporting the local performing arts industry and making theatre more accessible to South Africans from all walks of life. The Cirk offers a specialised training program for aspiring artists and performers, as well as group classes open to the public.

The background image shows a stage performance in a dark venue. Several acrobats in bright, possibly neon-colored outfits are performing on a stage. The stage is lit with blue and green spotlights, creating a dramatic atmosphere. The audience is visible in the foreground, mostly in silhouette, watching the performance. The overall scene is dynamic and visually striking.

Entertainment

Elevate your event to new heights by adding one of our world-class shows! The Cirk specializes in aerial and acrobatic entertainment, and, as all equipment is set up in the venue, there are no costly rigging/installation fees required for the performances.

We have various, stunning existing shows to choose from, or we can tailor make a show to your chosen theme to suit your event.

We can present anything from 15 to 60 minutes of content, split any way that complements the flow of your formalities.
